# Schedule of Activities

## On-site Registration Hours

Friday, September 27.....	11:00am-6:00pm
Saturday, September 28.....	7:00am-5:00pm
Sunday, September 29.....	7:00am-5:00pm
Monday, September 30.....	7:00am-3:00pm

## Education Committee Workshops

Friday, September 27.....	1:00pm-7:00pm
---------------------------	---------------

## Pre-meeting Workshops (A, B and C)

Saturday, September 28.....	9:00am-12:00noon
-----------------------------	------------------

## Pre-meeting Workshops (D, E and F)

Saturday, September 28.....	1:00pm-4:00pm
-----------------------------	---------------

## Annual Meeting Scientific Sessions

Sunday, September 29.....	9:00am-7:00pm
Monday, September 30.....	9:00am-4:30pm

## Poster Sessions

Sunday, September 29.....	6:00pm-7:00pm
Monday, September 30.....	1:45pm-2:45pm

## SDBP Members Meeting

Sunday, September 29.....	5:00pm-6:00pm
---------------------------	---------------

## Luncheon Meetings

Sunday, September 29.....	12:00noon-1:30pm
• JDBP Editorial Board Meeting (Editorial Board Members ONLY)	
• Trainee/Recent Graduate Luncheon	
• Developmental-Behavioral Pediatrics Program Directors Luncheon	

## Special Interest Groups

ADHD SIG: Monday, September 30.....	3:00-4:30pm
Autism SIG: Sunday, September 29.....	3:15pm-4:45pm
Early Childhood SIG: Monday, September 29.....	12:00-1:30pm
<i>(lunch not provided)</i>	
International SIG: Saturday, September 28.....	7:30-9:00pm
Nurse Practitioner's SIG: Sunday, September 29.....	12:00-1:30pm
<i>(lunch not provided)</i>	

## Exhibits

Saturday, September 28.....	5:00pm-6:30pm
Sunday, September 29.....	8:30am-7:00pm
Monday, September 30.....	8:30am-3:00pm

## Social Events

### First Timers/New Member Reception

Saturday, September 28.....	4:30pm-5:30pm
-----------------------------	---------------

### Opening Reception

Saturday, September 28.....	5:30pm-6:30pm
-----------------------------	---------------

### Dinner Social

Sunday, September 29.....	7:00pm – 10:00pm
---------------------------	------------------

# Schedule-At-A-Glance

Friday September 27	Saturday September 28	Sunday September 29	Monday September 30

# General Information

## Who Should Attend

This program is planned to meet the needs of pediatricians (researchers, teachers, and/or clinicians), pediatric psychologists, nurses, social workers and other healthcare providers and researchers interested in developmental and behavioral pediatrics. A variety of educational formats will encourage the exchange of new scientific and clinical information and support the interchange of opinions regarding care and management issues relevant to developmental and behavioral pediatrics. Scientific material will be presented through symposia, oral abstracts, concurrent sessions, plenary sessions, small group sessions designed for in-depth exploration of specific topics, and poster presentations.

## Purpose

To bring together multidisciplinary clinicians, educators and researchers to advance the knowledge and management of children with developmental-behavioral issues and their families.

## Goals

After attending this meeting the participants will be able to:

- Incorporate into the best practice strategies in the care of children from birth to adolescence in the area of developmental and behavioral pediatrics.
- Describe new methods of managing developmental—behavioral issues in practice.
- Understand and describe metabolic disorders which have developmental and behavioral symptoms.
- Incorporate strategies and skills for teaching others about topics in developmental-behavioral pediatrics.
- Discuss advances in the treatment of ADHD, autism, and other developmental-behavioral disorders.

## Registration

All attendees must be registered for the meeting. Registration is located in the **Maryland Ballroom Foyer (Fifth Floor)**. Registration hours are listed in the Schedule of Activities on page 2.

## Pre-Meeting Half-Day Workshops

A select number of courses addressing the needs of pediatricians, psychologists and other professionals caring for children with developmental or behavioral problems will be presented again this year. Workshops will be in half-day formats. Registration for these sessions is in addition to the Annual Meeting registration.

## Abstracts

Abstracts selected for the 2013 SDBP Annual Meeting will be presented in platform, concurrent, and poster sessions highlighting the most outstanding papers from a variety of subspecialties related to pediatric developmental and behavioral medicine. All accepted abstracts of new and previously presented research are published in this SDBP program book. Abstracts presenting new scientific findings will also be published online in the *Journal of Developmental and Behavioral Pediatrics*.

## Poster Sessions

Two different Meet the Author poster sessions highlighting both new and previously presented research will be held on Sunday, September 29 from 6:00pm – 7:00pm and Monday, September 30 from 1:45pm – 2:45pm, respectively.

## Exhibits

Exhibits will be located in the **Baltimore Ballroom (Fifth Floor)** throughout the duration of our meeting.

## Camera and Cell Phone Use

Cameras and video cameras are not permitted in any event during the SDBP Annual Meeting. As a courtesy to fellow attendees, please turn off or silence cell phones during educational sessions.

## SDBP Photo Release

By attending this SDBP Meeting, you consent to be photographed during the course of the meeting, with the understanding that these images may be used in SDBP documents and publications only. If anyone prefers to not have their photo used by SDBP, please contact [info@sdbp.org](mailto:info@sdbp.org). We also request that you notify the photographer at the time a photo is being taken in which you may be included.

## Continuing Education

### Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Institute for the Advancement of Human Behavior (IAHB) and Society for Developmental and Behavioral Pediatrics. The IAHB is accredited by the ACCME to provide continuing medical education for physicians.

### Credit Designation Statement

The IAHB designates this live activity for a

# General Information

maximum of 24.25 AMA PRA Category 1 Credit(s) TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Psychologists

This course is co-sponsored by Amedco and Society for Developmental and Behavioral Pediatrics. Amedco is approved by the American Psychological Association to sponsor continuing education for psychologists. Amedco maintains responsibility for this program and its content. 24.25 hours.

## Satisfactory completion

Participants must complete an attendance/evaluation form in order to receive a certificate of completion/attendance. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available.

## ADA Statement

ADA accommodations will be made in accordance with the law. If you require ADA accommodations, please indicate what your needs are at the time of registration. We cannot ensure the availability of appropriate accommodations without prior notification.

## Full Disclosure Policy

All faculty participating in the continuing medical education programs are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure of faculty relationships can be found on the handout provided at registration.

## Evaluations

Your opinions are important to us! Please be sure to complete an evaluation form to aid the SDBP Program Committee in evaluating the effectiveness of this educational activity. These forms will be available online with your CME/CE Accreditation until October 31, 2013 at [www.CmeCertificateOnline.com](http://www.CmeCertificateOnline.com), Password: SDBP13AM.

## Social Events

### First Timers/New Member Reception Baltimore Ballroom (Fifth Floor)

Saturday, September 28, 4:30pm – 5:00pm

### Mentor/Mentee Program

#### Baltimore Ballroom (Fifth Floor)

Saturday, September 28, 5:00pm – 5:30pm

## Opening Reception

### Baltimore Ballroom (Fifth Floor)

Saturday, September 28, 5:30pm – 6:30pm

*Enjoy time with friends and colleagues in a casual setting.*

## Dinner Social

### Maryland Ballroom B/C

Sunday, September 29, 7:00pm – 10:00pm

*After viewing the latest science in developmental and behavioral pediatrics at the Meet the Author Session (6:00pm in the Baltimore Ballroom and Foyer on the fifth floor), join colleagues and friends for a fabulous dining experience. The Dinner Social is included in the Annual Meeting registration fee. All guests must be registered as an Accompanying Person in order to attend the Social Events.*

## Committee Information

### Sunday, September 29, 2013

#### 7:00am – 8:50am

Advocacy – Gibson

Communication – Pride of Baltimore

Education – Maryland A

Coding Committee – Kent

### Monday, September 30, 2013

#### 7:00am – 8:50am

Membership – Gibon

Practice Issues – Kent

Development and Past Presidents – Pride of Baltimore

### Monday, September 30, 2013, 12:00pm – 1:30pm

Research Committee – Maryland F

## Committee Descriptions:

### ADVOCACY

*Adiaha Spinks Franklin, MD, MPH, Co-Chair*

*Ann Kinsman, JD, PhD, Co-Chair*

The Advocacy Committee is very excited about their concurrent session they have planned for this year's Annual Meeting. It is entitled "Policy: How to Communicate with Your Legislator to Effect Policy Change" and will be offered on Monday, September 30, 2013. The Committee has worked diligently to develop an engaging, interactive workshop-type of concurrent session. We have a nationally renowned expert who will help conduct the session, and we are using innovative methods to make the policy discussion memorable. Come ready to work (and have fun)!

The Advocacy Committee continues to use the SDBP Discussion Board as a means of communicating

# General Information

policy issues to the entire SDBP membership. This keeps our members informed of critical policy changes that could negatively affect the lives of the children and families we serve.

As always, the Advocacy Committee is looking for new participants who have an interest and passion in advocating for children with disabilities. The Advocacy Committee meets at the Annual Meeting and by periodic conference calls. Please email Adiaha Franklin (spinks@bcm.edu) or Anne Kinsman (AKinsman@ghs.org) for more information.

## COMMUNICATIONS

*Damon Korb, MD, Co-Chair*

*Beth Wildman, PhD, Co-Chair*

The Communications Committee works closely with all committees and the team at Degnon Associates to publish the newsletter, develop and maintain the discussion board, and oversee the website. Since the meeting in San Antonio, we transitioned from a print to digital newsletter, with more frequent and timely publication. Our goal for next year is to publish four newsletters per year. We are planning on increasing our focus on trainees and member research in the newsletter. A new, redesigned discussion board is now up and running. We are anxious for members to use it regularly. Our efforts focus on the newsletter, discussion board, and website. We welcome and need participation by members with ideas and energy. Now that we are fully digital, we will keep on working to make our newsletter, discussion boards, and website both user-friendly and used by our members.

## DEVELOPMENT

*Paul Dworkin, MD, Chair*

The Development Committee continues to explore new ways of increasing support for SDBP activities. Our most successful activities continue to be through donations to the SDBP Endowment or Research Grant funds through the option attached to our annual membership renewal process, and our continued solicitation of exhibitors at the Annual Meeting. Most recent activity has centered on potential funding for the SDBP Research Grant via a federally funded grant process. This has also led to discussions of funding to support a developmental-behavioral pediatrics research network which would potentially help meet portions of the SDBP Strategic Plan pertaining to research and quality improvement as well as others not yet considered.

## EDUCATION

*Franklin Trimm, MD, Co-Chair*

*Carolyn Bridgemohan, MD, Co-Chair*

The Education Committee is an interdisciplinary group of individuals committed to creating and promoting innovative, efficient and effective education in Developmental and Behavioral Pediatrics to ensure optimal developmental and behavioral health for all children.

Current goals of the committee include developing and promoting DBP curricula for application in multiple fields across the continuum of professional education and developing and promoting best practices in interdisciplinary training, clinical care and research and evaluation.

The committee is open to any member wishing to participate and encourages the participation of fellows.

**FELLOWSHIP TRAINING** (this committee is meeting as part of the Program Directors lunch Sunday)

*Jill Fussell, MD, Co-Chair*

*Maris Rosenberg, MD, Co-Chair*

The DBP Fellowship Training Committee continues to act as a resource to enhance fellowship training in DBP. We provide updates, consultation and support to program directors. At our Program Director's lunch in Phoenix, we plan to initiate discussion on topics such as ACGME's proposed changes in assessment of competency of trainees (milestones and entrustable professional activities [EPAs]), and to share other information from our members who have been involved with the American Association of Program Directors. We have been exploring the implementation of the Electronic Residency Application Service [ERAS] common application and will share information from our discussions with National Residency Matching Program [NRMP] representatives. We will continue our discussion on funding mechanisms, initiated by our survey of program directors regarding funding and support of fellows' research training and will update the status of our mentor match program. We continue to match fellows and junior faculty with more senior faculty across programs and disciplines according to research and career interests. As in past years, workshops relevant to fellowship training have been developed for the Annual Meeting and pre-meeting educational program. We welcome other ideas for discussion topics relevant to fellowship training in DBP.

## MEMBERSHIP

*Gray Buchanan, PhD, Co-Chair*

# General Information

*H Lynn Starr, MD, Co-Chair*

The Membership Committee continues to implement initiatives to increase membership numbers and diversity (i.e., professional, racial, ethnic, and age). We have expanded our membership by reaching out to colleagues in related medical organizations and academic institutions. Recent attention has turned to clarification of requirements for international members. The Committee has also worked to ensure that information on the SDBP website and materials regarding the advanced degree requirements for regular membership is clear. SDBP members and applicants for membership who currently hold a terminal degree (i.e., the highest academic degree in their field of study) in a discipline related to the Society's goals and objectives may become regular members. As Regular Members they can vote for Society officers, run for elected offices within the Society, and pay all regular member fees. If you want to change your membership category or have any questions regarding your membership category, please contact SDBP at [info@sdbp.org](mailto:info@sdbp.org). The committee is open to new members and welcomes creative ideas. We welcome both old and new members to expand their involvement by joining our committee. Please contact Gray ([gray.buchanan@selfregional.org](mailto:gray.buchanan@selfregional.org)) or Lynn ([HStarr@its.jnj.com](mailto:HStarr@its.jnj.com)) if you would like to learn more about our initiatives.

## PAST PRESIDENTS

*David Schonfeld, MD, Chair*

The Past Presidents Committee has laid out some goals for the coming few years:

1. Assist with maintaining and recording the institutional memory of the Society, including the history of its founding.
2. Serve as consultants to the Board of Directors, Officers, and Committees.
3. Play a role in the Annual Meeting -- such as moderating sessions or helping to plan a special session.
4. Assist with fundraising for the Society in general, and in particular for the Research Award.
5. Serve as mentors for Fellows and Junior members of the Society, in particular regarding career planning and advancement (e.g. promotions, tenure decisions, and taking on administrative responsibilities).
6. Assist in presenting a workshop on advocacy, mentoring, or another topic.

Several past presidents will serve as moderators of plenary sessions at the 2013 meeting, as well as participating in other activities at the meeting. The Group will meet at the SDBP Annual Meeting

in conjunction with the Development Committee to move forward on its goals.

## PRACTICE ISSUES

*Becky Baum, MD, Co-Chair*

*Neal Soares, MD, Co-Chair*

The goal of the Practice Issues Committee goal is to promote successful, best practice, interprofessional DBPeds care. Current issues include the viability of DBP practice, especially given changes in the healthcare landscape. The concepts of efficiency and value are key to this discussion. To address these priorities, the committee is offering an innovative workshop entitled "Efficient Models of DBP Care: Making It Work for You!" at the upcoming Annual Meeting. The workshop will use a panel to discuss successful models of efficient care, including triage encounters, outpatient appointments, post-visit activities, and care coordination. This workshop will also feature a health economist from Johns Hopkins to provide a "big picture" perspective as we discuss the concept of value.

Additional areas of interest for the PI Committee are quality improvement, maintenance of certification, and use of Electronic Health Records. The Practice Issues Committee is always looking for energetic new members. Please feel free to join us at the Annual Meeting if you'd like to get involved!

## PROGRAM

*Nancy E Lanphear, MD, Co-Chair*

*Robyn Mehlenbeck, PhD, Co-Chair*

The Program Committee plans the Annual Meeting. In this endeavor, we strive to achieve a balance of topics, to select the best science in our field and to present a broad range of topics to be interesting to a diverse group of clinicians, researchers and teachers. The committee selects workshops, evaluates abstracts and meets annually at the meeting. In addition, periodic conference calls occur. The committee is a small but dedicated group. If you are interested in being considered as a member, please contact Program committee chairs, Nancy Lanphear or Robyn Mehlenbeck. We periodically have openings to join this group.

## RESEARCH

*Susan P. Berger, PhD, Co-Chair*

*Madeleine U. Shalowitz, MD, MBA, Co-Chair*

The Research Committee works to support the SDBP Strategic Goal of promoting and disseminating research in developmental-behavioral health. Its membership is interdisciplinary, spans a broad range of research interests, and welcomes

# General Information

both experienced and less experienced member researchers.

Goals for 2012-2013: Support mentoring of junior researchers within the SDBP. Coordinate the SDBP Research Award. Contribute to expert review of scientific abstracts submitted for the SDBP and PAS Annual Meetings. Disseminate information about member research publications and research grant awards to the membership and externally, as called for.

The Research Committee is happy to welcome new members who would like to actively participate.

## **TRAINEE/RECENT GRADUATE (TRGC)**

*Rob Keder, PhD, Co-Chair*

*Nicole Dempster, MA, Co-Chair*

The TRGC convened its official inaugural meeting at the SDBP Annual Meeting in 2008 and serves three purposes: First, giving representation and voice to trainees and recent graduates in developmental-behavioral pediatrics; second, serving as an organized forum for addressing issues related to training; and third, providing support for recent graduates. Significant interests for the TRGC include the current state of trends within and the future of developmental-behavioral pediatrics in addition to matters relating to training and transitioning post completion of training.

The TRGC consists of current SDBP associate member trainees as well as recent graduates (within two years) of developmental-behavioral pediatrics specialties and related psychological disciplines. The TRGC Co-Chairs typically represent two different allied disciplines.

## **Special Interest Groups (SIG)**

### **Descriptions:**

#### **ADHD SIG**

*Tanya Froehlich, MD, Co-Chair*

*Eugenia Chan, MD, MPH, Co-Chair*

This year the ADHD SIG is again offering CME content. Below is a description of their session to be held Monday at 3 pm in Maryland B/C:

Despite their strong evidence base and wide dissemination, adherence to the American Academy of Pediatrics ADHD Clinical Practice Guidelines is currently suboptimal. Clinicians face numerous barriers to ADHD guideline adherence, including increasing demands to become more time and cost efficient. To address these challenges, this session will present four innovative projects aimed at

improving ADHD guideline adherence and quality of care. Speakers will describe how an ADHD group visit curriculum (presented by Nerissa Bauer, MD), a fellow- and resident-run ADHD follow-up phone clinic (presented by David O'Banion, MD), electronic medical record adaptations (presented by Adrian Sandler, MD), and web portal technology (presented by Rebecca Baum, MD) can be used to improve ADHD quality of care while maximizing provider productivity. The session will finish with a brainstorming session to set the SIG's course for the next year, including discussion and prioritization of future projects and upcoming educational session topics.

#### **Autism SIG**

*Georgina Peacock Goebel, MD, MPH, Co-Chair*

*Robin Hansen, MD, Co-Chair*

The Autism SIG provides a forum for members who take care of children with autism to engage with one another through discussions via the SDBP Discussion Board and in person at the Annual Meeting. There are also opportunities for members to learn about current practices in autism from experts in the field at the Annual Meeting.

#### **Early Childhood SIG**

*Robin Adair, PhD, Co-Chair*

*Heike Minnich, PsyD, Co-Chair*

The Early Childhood Special Interest Group (EC-SIG) is composed of SDBP members who are interested in topics related to early childhood. In 2012, seven collaborative, interdisciplinary work groups were created to address specific topics. At present, there are five work groups actively engaged in developing content related to their topics. The five work groups, and their leaders, are:

1. Screening in Primary Care (Previously three work groups: Standard of Care for Developmental Screening in Primary Care; Standard of Care for Developmental Screening in Primary Care; Standard of Care for Developmental Screening in Primary Care)  
*Co-leaders: Jennifer Poon, Cara Dosman, Angela LaRosa*
2. Postpartum Maternal Mood and Anxiety Disorders Screening (Previous name: Standard of Care for Maternal Depression Screening in Primary Care)  
*Co-leaders: Jack Levine, Miguelina German*
3. NICU Follow-Up (Previous name: Standard of Care for NICU Follow-Up)  
*Co-leaders: Steve Contompasis, Cheryl Milford, Brian Tang*
4. Early Intervention (Previous name: Standard of Care for Early Intervention)

*Leader: Linda Copeland*

5. Positive Parenting (Previous name: Primary Prevention through Positive Parenting)  
*Co-leaders: Nerissa Bauer, Benard Dreyer*

this year will include sharing models of training and precepting APN students in DBP, and sharing productivity standards across practices.

Interested? Please attend the EC-SIG meeting at the Annual Meeting, scheduled for Monday, 12:15-1:30 pm. Work groups will meet as well; times and locations to be announced. Even if you cannot attend a meeting, you are welcome to join the EC-SIG and any of the work groups. For any questions, please contact Robin Adair MD, co-chair, robin@dunn-adair.com, or Heike Minnich, PsyD, co-chair, hminnich@iupui.edu.

### **International SIG**

*Georgina Peacock Goebel, MD, MPH, Co-Chair*

*Adrian Sandler, MD, Co-Chair*

*Roxanne Almas, MD, Co-Chair*

The purpose of the International SIG is to promote optimal child development and care for children with disabilities both internationally and among international immigrants, refugees, and adoptees and to support Developmental and Behavioral practitioners who work with these populations.

Objectives:

1. Provide forum for sharing information about DB Peds work being done in low-resource countries
2. Support continuing education opportunities on international DB pediatrics topics
3. Identify opportunities for collaboration and training among SDBP members on international DB pediatrics topics
4. Promote a global perspective within the SDBP community

### **Nurse Practitioner's SIG**

*Anne DeBattista, CPNP, Co-Chair*

*Becky Taylor, CPNP, Co-Chair*

The Advanced Practice Nursing SIG worked with the Membership Committee and Degnon and Associates to update the brochure and website with clarification of APN membership requirements and more inviting language to encourage SDBP membership. The APN group would like to continue to work with the Membership Committee in inviting DBP practices to encourage their Advanced Practice Nurses to join and attend the annual meeting.

Nurse practitioners new to DBP practices have been linked for mentorship with experienced nurse practitioners who have similar clinical practices. In collaboration with the National Association of Pediatric Nurse Practitioner DBMH SIG, the SDBP APN SIG is interested in creating a system for aligning APNs with expertise or interest in specific clinical areas. The draft of an APN SIG membership clinical practice survey will be reviewed at the annual meeting. Other topics for discussion at the meeting

# Program Committee & Board of Directors

## SDBP 2013 Program Planning Committee

The 2013 SDBP Lectureship Award Recipient is:

## **Mark L. Batshaw, MD**

Dr. Batshaw received his M.D. from the University of Chicago, completed a residency in Pediatrics at the Hospital for Sick Children and a fellowship in Neurodevelopmental Pediatrics at the Kennedy Krieger Institute, Johns Hopkins. He previously served on the faculty of John Hopkins and the University of Pennsylvania. Since 1998 Dr. Batshaw has been Chief Academic Officer at Children's National Medical Center and Professor and Chairman of Pediatrics/Associate Dean for Academic Affairs at George Washington University. In 2013 he was named Physician-in-Chief at Children's National. Dr. Batshaw has spent his entire career in the care of children with developmental disabilities. He has published over 200 articles and reviews and is senior editor of the classic textbook, *Children with Disabilities*. Dr. Batshaw's research has focused on inborn errors of urea synthesis, in which he is considered an international authority and is currently P.I. of an NIH funded Rare Diseases Clinical Research Center on Urea Cycle Disorders and of a program project grant on adenoassociated virus gene therapy in ornithine transcarbamylase deficiency.

## **IMPORTANT!**

The online CE or CME certificate will only be available through **October 31, 2012**. After that date, the site will be removed and certificates will no longer be available.

If you need a CE or CME certificate, you must complete the evaluation and certificate process prior to **October 31, 2012**.

Don't forget to get your certificate at [www.CmeCertificateOnline.com](http://www.CmeCertificateOnline.com), Password: SDBP12AM.

# Exhibitor Product Descriptions

## 1. Akron Children's Hospital

Akron Children's Hospital is the largest pediatric healthcare system in Northeast Ohio, serving over 600,000 patients each year. With two free-standing pediatric hospitals and 20+ primary care offices, the Akron Children's Hospital system provides services at nearly 80 locations across an urban, suburban and rural region of Ohio. The services and subspecialties at Akron Children's the hospital span the entire scope of medical services available today-from routine and preventative care to emerging technologies in surgery and patient care.

## 2. American Academy of Pediatrics (AAP)

The American Academy of Pediatrics (AAP) offers educational resources for MOC, CME and lifelong learning, including PREP® DBPeds, developed by pediatric developmental-behavioral experts. Ask about free trials and conference-only discounts!

## 3. Baylor College of Medicine – Medical Genetics

Laboratories BCM's Medical Genetics Laboratories offer a broad range of diagnostic genetic testing including sequencing, cytogenetics, cancer, chromosomal microarray analysis, whole exams sequencing, mitochondrial DNA analysis & biochemical genetics testing plus many other options. Please visit our booth for more information.

## 4. Brookes Publishing Company

Brookes Publishing is the premier publisher of practical, research-based resources that boost the learning and success of all people, with and without disabilities. For 35 years, we've partnered with top experts on trusted books and tools that improve lives-from the critical early years through adulthood. [www.brookespublishing.com](http://www.brookespublishing.com), Baltimore, MD.

## 5. CHADIS: Total Child Health, Inc.

CHADIS is a web-based screening decision-support and patient engagement system designed to streamline and optimize child healthcare. Parents, teachers and teens complete pre-visit online questionnaires that allow clinicians to have instant access to results.

## 6. Children's Hospitals & Clinics of Minnesota

Children's Hospitals and Clinics of Minnesota is one of the ten largest pediatric organizations in the nation. We are actively recruiting for a Developmental and Behavioral Pediatrician.

## 7. Children's Hospital Colorado

The Child Development Unit (CDU) at Children's Hospital Colorado specializes in helping children with developmental and behavioral issues. Our compassionate experts provide the latest methods of diagnosis and treatment tailored to the needs of children and their families.

## 8. IntegraGen, Inc.

IntegraGen, a leader in autism biomarker research, provides the ARISK® Autism Risk Assessment Test, a genetic screening tool that assesses the risk of ASD in siblings of children with autism.

## 9. JDBP Book Reviewer Table

SDBP members are invited to select books from the table to review. Reviewers will submit their contact information, take the book home (and keep!) to review, then submit a review for the Journal of Developmental and Behavioral Pediatrics.

## 10. KADLEC Health System

Kadlec Regional Medical Center, a progressive 270-bed Planetree hospital, offers Intensivist, Pediatric & Adult Hospitalist Programs, a Level II NICU, open heart surgery, and neurosurgery in a state-of-the-art facility.

## 11. Lineagan, Inc.

## 12. Lippincott Williams & Wilkins

Lippincott Williams & Wilkins, A Wolters Kluwer Health company is a leading international publisher for healthcare professionals and students, as well as the proud publisher of Journal of Developmental & Behavioral Pediatrics, Official Journal of the Society for Developmental and Behavioral Pediatrics.

## 13. Pediatrix Medical Group

Pediatrix is the nation's leading provider of neonatal, maternal-fetal and pediatric physician subspecialty services. Our affiliated practices provide developmental pediatric services supporting premature infants and children born with developmental disabilities.

## 14. PEDSTest.com

PEDStest.com publishes screening, surveillance and assessment measures of development, behavior and social-emotional status for primary care, NICU follow-up, and EI intake. The author, Dr. Frances Glascoe, will be in attendance.

## 15. Randall Children's Hospital

Randall Children's Hospital, located in Portland Oregon, is one of six hospitals that comprise Legacy Health, a private non-for profit healthcare organization. The Children's Hospital is a new 165-bed, state-of-the-art facility with full services including level 1 trauma and burn facility. Visit our website [www.legacyhealth](http://www.legacyhealth) for additional information or stop by our booth during the conference.

## 16. Society for Developmental and Behavioral Pediatrics (SDBP)

The Society for Developmental and Behavioral Pediatrics (SDBP) is an international organization dedicated to improving the health of infants, children, and adolescents by promoting research, teaching and evidence-based clinical practice and advocacy. Our Vision is to be the interdisciplinary leaders in optimal developmental and behavioral health for all children. SDBP's Core Values include Biopsychosocial model, Collaboration, Scientific basis of field, Interdisciplinary, Collegiality.

## 17. United States Drug Testing Laboratories, Inc (USDTL)

United States Drug Testing Laboratories, Inc. develops unique assays to determine direct biomarkers in newborns caused from prenatal exposure to drugs and alcohol. The Leader in Newborn Toxicology since 1991. [www.USDTL.com](http://www.USDTL.com)

# Program Schedule

## Friday, September 27, 2013

---

8:00am-12:00noon      Board of Directors Meeting  
**Watertable A/B**

1:00 pm – 7:00 pm      Pre-Meeting Education Workshop – an extra fee applies to attend.  
TEACHING DEVELOPMENTAL-BEHAVIORAL PEDIATRICS TO RESIDENTS  
*Chair/Facilitators: Carolyn Bridgemohan, MD and Viren D'Sa, MD*

### **Maryland A/E**

The Education Workshop has been organized to help Developmental-Behavioral Pediatrics residency rotation directors and faculty address the challenges of teaching a significant curriculum in a limited time. The format will consist of an initial large group meeting followed by small group sessions. This workshop continues the tradition of previous successful education workshops in providing innovative tools for teaching through interactive and practical sessions.

## Saturday, September 28, 2013

---

7:00am – 5:00pm      Registration  
**Maryland Ballroom Foyer (Fifth Floor)**

9:00am-12:00noon      3 Pre-Meeting Half Day Workshops – *an extra fee applies to attend*

**WORKSHOP A** - REVIEWING ABSTRACTS FOR NATIONAL AND REGIONAL MEETINGS: YES YOU CAN!  
*Benard P. Dreyer, MD, NYU School of Medicine, New York, NY, Susan Berger, PhD, Northwestern University Feinberg School of Medicine, Chicago, IL, Madeleine U. Shalowitz, MD, MBA, North-Shore University HealthSystem, Evanston, IL*

### **Maryland A/E**

**WORKSHOP B** - CHANGES IN THE GENOMIC LANDSCAPE: A PRIMER IN GENETIC MEDICINE FOR THE DEVELOPMENTAL BEHAVIORAL CLINICIAN.

*Anna Maria L. Wilms Floet, MD, Julie Cohen, ScM CGC, Leila Jamal, ScM, Kennedy Krieger Institute, Baltimore, MD, Joann N. Bodurtha, MD MPH, Johns Hopkins Hospital, Baltimore, MD*

### **Homeland**

**WORKSHOP C** - PRIMARY CARE PARENTING

*William D. Tynan, PhD, Meghan M. Lines, PhD, Alfred I duPont Hospital for Children, Wilmington, DE*

### **Federal Hill**

1:00pm-4:00pm      3 Pre-Meeting Half Day Workshops – *an extra fee applies to attend*

**WORKSHOP D** - EFFICIENT MODELS OF DBP PRACTICE: MAKING IT WORK FOR YOU!

*Neelkamal Soares, MD, David Geffen School of Medicine at UCLA, Los Angeles, CA, Rebecca Baum, MD, Nationwide Children's Hospital, Columbus, OH*

### **Maryland A/E**

**WORKSHOP E** - INVOLVING MINORS IN DECISIONS ABOUT MEDICAL AND MENTAL HEALTH CARE

*Mary Ann McCabe, PhD, George Washington University School of Medicine, Falls Church, VA, Maryland Pao, MD, National Institute of Mental Health, Bethesda, MD*

# Program Schedule

## Saturday, September 28, 2013, continued

---

### Homeland

**WORKSHOP F** - SWIMMING UPSTREAM: MANAGING THE CHALLENGES OF AN ACADEMIC CAREER  
*Terry Stancin, PhD, MetroHealth Medical Ctr/CASE, Cleveland, OH, Susan L. Rosenthal, PhD, Columbia University, New York, NY*

### Federal Hill

4:30pm – 5:30pm      New Member/First Timer's Reception  
**Baltimore Ballroom and Foyer**

5:00pm - 5:30pm      Mentor program  
**Baltimore Ballroom and Foyer**

5:00pm – 6:30pm      Exhibits  
**Baltimore Ballroom and Foyer**

5:30pm – 6:30pm      Opening Reception  
**Baltimore Ballroom and Foyer**

6:30pm-7:30pm      Psychology Gathering  
**ROOM?**

7:30pm – 9:00pm      Saturday Evening Sessions (No CME credits provided)

International SIG      **Homeland**  
Trainee/Recent Graduate Workshop – Career Panel      **Federal Hill**

## Sunday, September 29, 2013

---

7:00am – 5:00pm      Registration  
**Maryland Ballroom Foyer (Fifth Floor)**

7:00am – 8:50am      Committee Meetings  
Advocacy      **Gibson**  
Communications      **Pride of Baltimore**  
Coding      **Kent**  
Education      **Maryland A**

8:30am – 7:00pm      Exhibits  
Baltimore Ballroom

# Program Schedule

**Sunday, September 29, 2013, continued**

---

8:30am – 9:00am      Coffee and Light Continental Breakfast  
**Baltimore Ballroom**

9:00am- 7:00pm      Posters Up – Session 1  
**Baltimore Ballroom and Foyer**

9:00am – 9:15am      Welcome  
**Maryland B/C**

9:15am – 10:30am      Lectureship Award and Presentation  
TRAVELS AROUND THE UREA CYCLE: WHAT RARE DISEASES TELL US  
ABOUT DEVELOPMENT AND BEHAVIOR  
*Mark Batshaw, MD*  
**Maryland B/C**

10:30am – 10:45am      Break  
**Baltimore Ballroom and Foyer**

10:45am – 12:00noon      Platform Sessions I & II (Abstracts Presentations 1-5)

Platform Session I (Abstracts Presentations 1-5)  
*Chair: David Schonfeld, MD*  
**Maryland B/C**

10:45am – 11:00am  
ABSTRACT 1: PARENT DEVELOPMENTAL CONCERNS, PROVIDER RESPONSE TO CONCERNS, AND DELAYS IN DIAGNOSIS FOR CHILDREN WITH AUTISM AND OTHER DEVELOPMENTAL DISORDERS  
*Katharine E. Zuckerman, MD, MPH, Olivia Lindly, MPH, Brianna Sinche, MPH, Christina Bethell, PhD, MBA, MPH, Pediatrics, Oregon Health & Science University, Portland, OR*

11:00am – 11:15am  
ABSTRACT 2: THE RAPID INTERACTIVE TEST FOR AUTISM IN TODDLERS (RITA-T): A NEW LEVEL 2 AUTISM SPECTRUM DISORDER (ASD) SCREENING TEST IN TODDLERS.  
*Roula Choueiri, MD, Pediatrics, Floating Hospital for Children, Tufts Medical School, Boston, MA, Lauren Brodsky, BA, Pediatrics, Floating Hospital for Children, Boston, MA, Jason Nelson, MPH, Institute for Clinical Research and Health Policy, Tufts Medical Center, Boston, MA, Sheldon Wagner, PhD, Behavior Development and Educational Services (BDES), BDES, Lexington, MA*

11:15am – 11:30am  
ABSTRACT 3: EFFECTIVENESS OF A PEER MODEL EDUCATION CURRICULUM IN TRAINING PEER MODELS TO TEACH SOCIAL SKILLS TO CHILDREN WITH AUTISM SPECTRUM DISORDERS

# Program Schedule

Sunday, September 29, 2013, continued

---

*Therese L. Mathews, PhD, Developmental Pediatrics, Vatland Chris, PhD, Special Education, Ashley Lugo, MA, Elizabeth Keonig, MA, Psychology, Munroe Meyer Institute, Omaha, NE*

11:30am – 11:45pm

ABSTRACT 4: PREVALENCE OF AUTISM SPECTRUM DISORDERS AND OBSESSIVE COMPULSIVE DISORDER IN MALES WITH DUCHENNE AND BECKER MUSCULAR DYSTROPHIES

*Emily A. Brandt, MD, Pediatrics, University of Iowa Hospitals and Clinics, Iowa City, IA, Katherine Mathews, MD, Pediatrics, Edward T. Buckingham, MD, Psychiatry, University of Iowa, Carver College of Medicine, Iowa City, IA, Kelly Pelzel, PhD, Pediatrics, University of Iowa Hospitals and Clinics, Iowa City, IA, Scott Lindgren, PhD, Royann Mraz, MD, Pediatrics, University of Iowa, Carver College of Medicine, Iowa City, IA*

11:45am – 12:00pm

ABSTRACT 5: PARENT HEALTH BELIEFS, CHILD HEALTH SERVICES UTILIZATION, AND CHILD HEALTH CARE QUALITY AMONG US CHILDREN WITH AUTISM AND OTHER DEVELOPMENTAL DISORDERS

*Katharine E. Zuckerman, MD, MPH, Olivia Lindly, MPH, Brianna Sinche, MPH, Christina Bethell, PhD, MBA, MPH, Pediatrics, Oregon Health & Science University, Portland, OR*

Platform Session II (Abstracts Presentations 6-10)

*Chair: Barbara Howard, MD*

## **Maryland A/E**

10:45am – 11:00am

ABSTRACT 6: DEVIANT AND PROSOCIAL PEER INFLUENCE ON ADOLESCENT SUICIDAL BEHAVIOR

*Dustin J. Davidson, BA, BS, Center for Innovation in Pediatric Practice, Nationwide Children's Hospital, Circleville, OH, Jeffrey A. Bridge, PhD, Epidemiology, College of Medicine, The Ohio State University, Columbus, OH*

11:00am – 11:15am

ABSTRACT 7: MEDICAL EVALUATION OF CHILDREN WITH INTELLECTUAL DISABILITY: CLINICIAN NON-COMPLIANCE WITH PUBLISHED GUIDELINES

*Alexis Tchaconas,, Pediatrics, Cohen Children's Medical Center, East Northport, NY, Andrew Adesman, MD, Pediatrics, Hofstra North Shore-LIJ School of Medicine, Roslyn, NY*

11:15am – 11:30am

ABSTRACT 8: THE CONCERNS OF PARENTS AT HIGH PSYCHOSOCIAL RISK: CAN FAMILIES IN CRISIS IDENTIFY DEVELOPMENTAL-BEHAVIORAL PROBLEMS IN THEIR CHILDREN AND FOLLOW THROUGH WITH REFERRAL RECOMMENDATIONS?

*Patricia Herrera, MS, Developmental Screening and Care Coordination, 211 Los Angeles County, San Gabriel, CA, Frances P. Glascoe, PhD, Pediatrics, Vanderbilt University, Knoxville, TN*

11:30am – 11:45pm

ABSTRACT 9: NATIONAL TRENDS IN PSYCHOTROPIC MEDICATION USE IN VERY YOUNG U.S. CHILDREN WITH BEHAVIORAL DISORDERS: 1994-2009

# Program Schedule

Sunday, September 29, 2013, continued

---

*V Chirdkiatgumchai, MD, Pediatrics, Ramathibodi Hospital, Mahidol University, Bangkok, Thailand, H Xiao, MS, Pediatrics, Cincinnati Children's Hospital Medical Center, Cincinnati, OH, B. K. Fredstrom, PhD, Pediatrics, Cincinnati Children's Hospital Medical Center, Cincinnati, OH, R. E. Adams, PhD, H. R. Matheson, BA, T. E. Froehlich, MD, Pediatrics, Cincinnati Children's Hospital Medical Center, Cincinnati, OH*

11:45am – 12:00pm

ABSTRACT 10: DIAGNOSTIC ASSESSMENT OF ATTENTION-DEFICIT/HYPERACTIVITY DISORDER (ADHD) BY DEVELOPMENTAL-BEHAVIORAL PEDIATRICIANS (DBP) AT ACADEMIC MEDICAL CENTERS: A DBPNET STUDY

*Heidi M. Feldman, MD, PhD, Pediatrics, Stanford University, Palo Alto, CA, Nathan J. Blum, MD, Amy Gahman, MA, Justine Shults, PhD, Pediatrics, Children's Hospital of Philadelphia, Philadelphia, PA, DBPNet Steering Committee*

12:00noon – 1:30pm

Luncheons

3:00pm – 4:30pm      Concurrent Sessions 8-19

CONCURRENT SESSION 8 - NICHD/NIH AND MCHB/HRSA FUNDING OPPORTUNITIES FOR DBP-RELATED RESEARCH

*Lynne M. Haverkos, MD, MPH, Eunice Kennedy Shriver National Institute of Child Health and Human Development National Institutes of Health, Rockville, MD, Ben Margolis, PhD, MPH, CHES, CPH, Maternal and Child Health Bureau/Health Resources and Service Administration, Rockville, MD*

**Maryland A/E**

CONCURRENT SESSION 9 - ADHD SIG - IMPROVING THE QUALITY OF ADHD CARE: INNOVATIVE PRACTICE STRATEGIES

*Tanya E. Froehlich, MD, Pediatrics, Cincinnati Children's Hospital, Cincinnati, OH, David D. O'Banion, MD, Pediatrics, University of Oklahoma Health Science Center, Oklahoma City, OK, Adrian D. Sandler, MD, Olson Huff Center, Mission Children's Hospital, Asheville, NC, Rebecca A. Baum, MD, Pediatrics, The Ohio State University, Columbus, OH, Nerissa S. Bauer, MD, MPH, Pediatrics, Indiana University School of Medicine, Indianapolis, IN*

**Maryland B/C**

CONCURRENT SESSION 10 - POLICY: HOW TO COMMUNICATE WITH YOUR LEGISLATOR TO EFFECT POLICY CHANGE

*Adiaha Spinks-Franklin, MD, MPH, Pediatrics, Baylor College of Medicine, Houston, TX*  
Maryland D

"I met with my mentor for the first time during the annual meeting. He's been a wonderful motivator and "cheerleader" so far. As an M.D. fellow looking at different career paths, I've found his experience and wisdom to be invaluable as I figure out "what next." He's been emailing me regularly to check in since SDBP, and he's made himself available by phone as well.

In short, THANK YOU to the SDBP for setting this up and making it happen."

--Andy Barnes, MD, Minneapolis, MN

---

## **SDBP Mentor-Mentee Matchmaker Service**

*Just one of many SDBP member benefits!*

In 2009, The Education and Research Committees of the SDBP established a program for on-going mentoring of junior faculty and trainees in DBP (including MDs, PhDs, and others). Trainees and junior faculty are paired with experienced SDBP researchers from outside the mentee's home institution. The specific mentoring arrangements vary in each instance, but we expect that most mentor-mentee pairs will communicate periodically by email or phone, and might also meet informally at the SDBP Annual Meeting. The duration of the mentoring relationship will also vary and it may be discontinued at any time by either the mentor or mentee.

We're very excited about this program, which supports SDBP's long-term strategic goals of promoting research and fostering careers.

**We will be having a reception for mentors and mentees on Saturday from 5-5:30. Drs. Carol Weitzman and Paul Wang will both be there, and even if you have not signed up for the program but have questions or just want to check it out, please come by!**

To volunteer as a mentor, or to request a mentee, go to the Members Only section of the SDBP website or visit the SDBP Registration Desk.

**[www.sdbp.org](http://www.sdbp.org)**
