The Audience

The SDBP membership is comprised of pediatricians, psychiatrists, psychologists, social workers, and nurses involved in basic research, clinical studies, public health, and community practice. A variety of educational formats are planned that will encourage the exchange of new scientific and clinical information and support the interchange of opinions regarding care and management issues relevant to developmental and behavioral pediatrics. Scientific material will be presented through symposia, oral abstracts, poster presentations, and small group sessions designed for in-depth exploration of specific topics.

Exhibitor benefits

With access to 600+ clinical and research professionals in the area of developmental and behavioral pediatrics, child psychology, education, and related disciplines, you will be able to **see and download who has been to your booth and how many times**. Attendees will have 24-hour live access to the exhibit hall and booth content beginning October 8 through March 2021. Exhibitors are encouraged to list times and dates within their booth if/when they will be available to meet live with attendees.

Your customizable virtual booth can include:

- Company Name
- Logo
- Company Description
- Informational Video
- Search Tags
- Informational Documents
- Links to other Resources
- Ability to Conduct Polls

One complimentary exhibitor registration will be provided, permitting entry to the SDBP scientific sessions. Additional exhibitors who wish to attend scientific sessions must register and pay posted registration fees.

Exhibit Dates

Exhibit booths will be available for viewing throughout the duration of the meeting, as well as for 6 months following the conclusion of the live event (through March 2021).
