

**Help SDBP sustain our current work and provide additional resources to “Face the Future.”**

**Why is SDBP encouraging donations to our Society?**

- Our growing membership
- The growing reach and impact of SDBP
- Growth of the field of DBP globally

**What are the goals in encouraging a culture of giving?**

- To support the core goals of the SDBP Strategic Plan: Education, Practice, and Research
- To position SDBP as a voice for inter-professional care of children
- To increase the relevance of SDBP to our members in US and other countries
- To address the challenges of value-base care

**What initiatives and potential projects may be supported through donations?**

*(example of ideas which have been generated by the Board and member survey)*

- Stimulating quality research
- Establishing a second Lectureship, or bringing additional guest speakers to our Annual Meeting
- Inter-professional education and training opportunities
- Developing and implementing Clinical Guidelines
- Facilitating development of DBP in low- and middle-income (LAMI) countries
