General Information

Who Should Attend

This program is planned to meet the needs of pediatricians (researchers, teachers, and/or clinicians), pediatric psychologists, nurses, social workers and other healthcare providers and researchers interested in developmental and behavioral pediatrics. A variety of educational formats will encourage the exchange of new scientific and clinical information and support the interchange of opinions regarding care and management issues relevant to developmental and behavioral pediatrics. Scientific material will be presented through symposia, oral abstracts, concurrent sessions, plenary sessions, small group sessions designed for in-depth exploration of specific topics, and poster presentations.

Purpose

Bring together interprofessional clinicians, educators, and researchers to advance the knowledge and management of children with developmental-behavioral issues and their families.

Goals

After attending this meeting the participants will be able to:

1. Discuss advances in the treatment of ADHD, ASD and other developmental-behavioral disorders.
2. Describe practice variation to assess and treat developmental and behavioral problems and outcomes to assess effectiveness.
3. Understand the trajectory of various developmental-behavioral conditions across the through transition into young adulthood.
4. Discuss evidence based treatments for various DBP conditions and how to implement them into practice.
5. Learning novels ways to enhance family participation in DBP clinical care and research.

Registration

All attendees must be registered for the meeting. Registration hours are listed in the Schedule-At-A-Glance on the inside front cover of this program book.

Full-Day/Half-Day Workshops

A select number of courses addressing the needs of pediatricians, psychologists and other professionals caring for children with developmental or behavioral problems will be presented. Workshops will be in half-day formats, except for one Full-Day offering this year. Registration for these sessions is in addition to the Annual Meeting registration.

Abstracts

Abstracts selected for the 2017 SDBP Annual Meeting will be presented in platform, concurrent, and poster sessions highlighting the most outstanding papers from a variety of subspecialties related to pediatric developmental and behavioral medicine. All accepted abstracts of new and

previously presented research are available on the SDBP Meeting App and online the SDBP Meeting Page (www.sdbp.org/annual_meeting.cfm). Abstracts presenting new scientific findings will also be published online in the Journal of Developmental and Behavioral Pediatrics.

Poster Sessions

Two different Meet the Author poster sessions highlighting both new and previously presented research will be held on Saturday, October 14th from 6:00pm - 7:00pm and on Sunday, October 15th from 6:00pm - 7:00pm.

Exhibits

Exhibits will be located in the **Hope Ballroom E** throughout the duration of our meeting.

Camera and Cell Phone Use

Cameras and video cameras are not permitted in any event during the SDBP Annual Meeting. As a courtesy to fellow attendees, please turn off or silence cell phones during educational sessions.

Continuing Education

Satisfactory completion

Participants must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. NOTE: If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians

Accreditation Statement - This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Amedco and Society for Developmental and Behavioral Pediatrics. Amedco is accredited by the ACCME to provide continuing medical education for physicians.

Credit Statement - Amedco designates this live activity for a maximum of **21.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Psychologists

This course is co-sponsored by Amedco and name of Society for Developmental and Behavioral Pediatrics. Amedco is approved by the American Psychological Association to sponsor continuing education for psychologists. Amedco maintains responsibility for this program and its content.

General Information

Professional Counselors in these 37 states can submit APA:

AK, AR, AZ, CA, CO, CT, DC, DE, FL, GA, IA, ID, IL, IN, KY, KS, ME, MO, NC, ND, NH, NE, NJ, NM, NV, OK, OR, PA, RI, SC, SD, TN, TX, UT, VA, WI, WY

MFT's in these 31 states can submit APA:

AK, AR, AZ, CA, CO, CT, DE, FL, IA, ID, IN, KS, ME, MO, NE, NC, NH, NM, NJ, NV, OK, OR, PA, SC, SD, TN, TX, UT, VA, WI, WY

Addiction Professional in these 26 states can submit APA:

AK, AR, CO, CT, DE, GA, IA, IN, KS, LA, MO, MT, NE, NM, NC, ND, NJ, NV, NY (outstate held), OK, OR, SC, UT, WA, WI, WY

Social Workers in these 22 states can submit APA:

AK, AR, AZ, CA, CO, DE, FL, GA, ID, IN, KY, ME, MN, MO, NE, NH, NM, OR, PA, VT, WI, WY

ADA Statement

ADA accommodations will be made in accordance with the law. If you require ADA accommodations, please indicate what your needs are at the time of registration. We cannot ensure the availability of appropriate accommodations without prior notification.

Full Disclosure Policy

All faculty participating in the continuing medical education programs are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentation(s). Full disclosure of faculty relationships can be found on the handouts provided at registration.

Social Events

New Member/First Time Attendee & Mentor/Mentee Reception

Hope Ballroom E

Saturday, October 14, 4:30pm - 5:00pm

Opening Reception

Hope Ballroom E

Saturday, October 14, 5:00pm - 6:00pm

Enjoy time with friends and colleagues in a casual setting.

Dinner Social

Hope Ballroom ABCD

Sunday, October 15, 7:00pm - 10:00pm

After viewing the latest science in developmental and behavioral pediatrics at the Meet the Author Session (6:00pm in **Hope Ballroom E**), join colleagues and friends for a fabulous dining experience. The Dinner Social is included in the Annual Meeting registration fee. All guests must be registered as an Accompanying Person in order to attend the Social Events.

Committee Meetings

Sunday, October 15, 7:00am - 8:50am

Advocacy - **Center Street A**

Research - **Center Street D**

Education - **Center Street BC**

Monday, October 16, 7:00am - 8:50am

Membership - **Center Street D**

Practice Issues - **Center Street BC**

Past Presidents - **Hope Ballroom A**

Monday, October 16, 12:15pm - 1:45pm

Communications Committee Lunch - **Hope Ballroom A**

Special Interest Groups (SIG)/Section Meetings

Saturday, October 14, 7:00pm - 8:30pm

Early Childhood SIG - **Hope Ballroom BC**

International SIG - **Hope Ballroom A**

Psychology Section - **Center Street A**

Trainee/Recent Grad Workshop - **Center Street BC**

Sunday, October 15, 12:15pm - 1:45pm

Advanced Practice Nurse Section Lunch - **Center Street D**

Trainee/Recent Graduate Lunch - **Center Street BC**

Monday, October 15, 12:15pm - 1:45pm

Fellowship Director Lunch - **Center Street D**

For complete Committee/SIG/Section descriptions and activities, please see the 2017 SDBP Meeting APP or visit the SDBP website at sdbp.org under the Committee/SIG/Section tab.

Lectureship Award

The 2017 SDBP Lectureship Award Recipient is:

Peter Rosenbaum, MD, FRCP(C)

PETER ROSENBAUM, MD, FRCP(C) joined the faculty of McMaster University in July 1973 and has been a Professor of Pediatrics since 1984. He held an inaugural Tier 1 Canada Research Chairs (2001- 2014). In 1989, Peter co-founded the award-winning CanChild Centre for Childhood Disability Research, a health system-linked research unit now recognized world-wide for its research and dissemination activities.

Peter has held more than 80 peer-reviewed research grants and is a contributing author to over 330 peer-reviewed journal articles and book chapters. He has been an invited lecturer and keynote speaker in 30 countries. He co-authored “Cerebral Palsy: From Diagnosis to Adult Life” (2012), and co-edited “Life Quality Outcomes of Children and Young Adults with Neurological and Developmental Conditions” (2013) with Dr. Gabriel Ronen. In 2016, he and colleagues published a book on ethical dilemmas in developmental medicine.

Peter has been a graduate supervisor or committee member at the Universities of Oxford, Utrecht, Witwatersrand, and Toronto in addition to McMaster. From 2012-14 he was a consultant to UNICEF’s Expert Consultation on the Collection of Data on Children with Disabilities. His awards include the Ross Award from the Canadian Pediatric Society (2000); an Honorary Doctor of Science degree, Université Laval (2005); the AACPDM’s first Mentorship Award (2007) and its Lifetime Achievement Award (2014), and in 2015, the inaugural Holland Bloorview Medal of Excellence for “outstanding achievement and leadership in making positive global advancements in the field of childhood disabilities.

How to get your CE/CME Certificate

1. Go to: <http://sdbp.cmecertificateonline.com/>
2. Select the evaluation that corresponds with your profession.
3. Complete evaluation. Upon completion, you will receive a document validating your attendance at the educational activity.

Questions regarding CE/CME, email Certificate@AmedcoEmail.com

Exhibitor Product Descriptions

1. Advocate Children's Hospital

Part of Advocate Health Care, ACH is the largest network provider of pediatric services in Illinois and among top 10 in US with 2 campuses in Chicagoland with 400+ pediatricians & 275+ pediatric subspecialists.

2. Arbor Pharmaceuticals, LLC

Arbor Pharmaceuticals, headquartered in Atlanta, Georgia is a specialty pharmaceutical company focused on the treatment of diseases and disorders affecting pediatric patients including ADHD, acute otitis media with tympanostomy tubes and head lice. Visit www.arborpharma.com or send email inquiries to info@arborpharma.com.

3. Brookes Publishing Co.

The best selling Ages & Stages Questionnaires® (ASQ) have been trusted by pediatricians as the most accurate, cost-effective, and parent-friendly way to screen children from one to 5 ½ years for developmental and social-emotional delays.

4. Carolinas Healthcare System

Carolinas HealthCare System's Developmental & Behavioral Pediatrics of the Carolinas is seeking a dynamic BC/BE D&B Pediatrician to complement their team of 7 providers. Contact Sarah Foster for more detail. sarah.foster@carolinashealthcare.org.

5. CHADIS

CHADIS is the leading screening, decision support and patient engagement system designed to streamline Patient communication and optimize healthcare.

6. Child Study Center

CSC provides high quality diagnosis, treatment and education, to children with complex developmental disabilities to help them achieve their full potential. Come join our amazing team!

7. Geisinger Health System

At Geisinger's Autism & Developmental Medicine Institute clinicians and researchers work side-by-side with educators, scientists and students from nearby Bucknell University to strengthen our multidisciplinary approach to personalized medicine.

8. JDBP Book Reviewer Table

SDBP members are invited to select books from the table to review. Reviewers will submit their contact information, take the book home (and keep!) to review, then submit a review for the *Journal of Developmental and Behavioral Pediatrics*.

9. Kaiser Permanente-Southern California Permanente Medical Group

Southern California Permanente Medical Group boasts over 60 years of experience in delivering high quality, innovative health care. With sub-specialists in virtually every area of medical and surgical practice.

10. Lineagen, Inc.

Lineagen offers developmental & behavioral pediatricians advanced genetic diagnostics for childhood development disorders.

11. OSF HealthCare Children's Hospital of Illinois

OSF HealthCare Children's Hospital of Illinois, a 127-bed facility offers over 50 pediatric programs and services and is the primary pediatric teaching facility for the University of Illinois College of Medicine.

12. Pediatrix Medical Group / MEDNAZ

Pediatrix, a division of Mednax, is the nation's leading provider of neonatal, maternal-fetal and pediatric subspecialty services. Our affiliated practices provide developmental pediatric services supporting premature infants and children born with developmental disabilities.

13. PLUSOPTIX, Inc.

Plusoptix created the world's first Pediatric Vision Screener yielding immediate pass/refer results in 2004. Requiring no cooperation from the child, our vision screeners are perfect for preverbal and non-verbal children.

14. Qbtech

Qbtech is a Swedish company specializing in ADHD. We have the only devices cleared by the FDA to assess and monitor treatment affects for those ages 6 - 60 in Hyperactivity, attention & impulsivity. Comparing patients to an age and gender adjusted control.

15. Sanford Health Physician Recruitment

Sanford Health is the largest rural not-for-profit health care system in the nation and is dedicated to excellence in patient care, innovation and pioneering integrated care.

Program Schedule

Thursday, October 12

4:00pm-8:00pm SDBP Research Scholars Symposium
Center Street B

Friday, October 13

7:30am-12:45pm SDBP Research Scholars Symposium
Center Street B

12:00pm-6:00pm 1 Full Day Workshop - *an extra fee applies to attend*

WORKSHOP A: HARNESSING THE POWER OF MEDIA: EFFECTIVE ENGAGEMENT WITH FAMILIES AND COLLEAGUES IN THE DIGITAL AGE

Michael Patrick, MD, David Stukus, MD, Kathryn Nuss, MD, Nationwide Children's Hospital, Columbus, OH
Center Street D

1:00pm-4:00pm 3 Half Day Workshops - *Extra fees apply to attend*

WORKSHOP B: RESILIENCE, MINDFULNESS AND YOGA: AN EVIDENCE BASED EXPERIENTIAL REVIEW AND PRACTICE

Nancy E. Lanphear, MD, University of British Columbia, Vancouver, BC, Robyn S. Mehlenbeck, PhD, George Mason University, Fairfax, VA
Center Street A

WORKSHOP C: MANAGING BULLYING LIKE A DB-PRO(FESSIONAL)

Robert D. Keder, MD, Connecticut Children's Medical Center, University of Connecticut, Farmington, Connecticut, Kimberly Burkhart, PhD, Rainbow Babies and Children's Hospital, Case Western Reserve University, Cleveland, OH, Patricia McGuire, MD, All Children Are Special, Eau Claire, WI, Lauren Tarnok, MD, Steven & Alexandra Cohen Children's Medical Center of NY, Northwell Health, Lake Success, NY, Adiaha I. Spinks-Franklin, MD, Texas Children's Hospital, Baylor College of Medicine, Houston, TX
Hope Ballroom B

WORKSHOP D: CEREBRAL PALSY: IMPROVING OUTCOMES THROUGH EARLY DIAGNOSIS AND INTERVENTION

Katherine J. Steingass, MD, Nationwide Children's Hospital, Columbus, OH, Allison G. Dempsey, PhD, McGovern Medical School at University of Texas Health Science Center at Houston (UTHealth), Houston, TX, Jessica Lewis, DPT, PCS, Garey Noritz, MD, Lindsay Bartram, DO, Sha Clark, MSW, Nationwide Children's Hospital, Columbus, OH, Howard W. Needelman, MD, University of Nebraska Medical Center, Omaha, NE, Andrea F. Duncan, MD, MSClinRes, McGovern Medical School at University of Texas Health Science Center at Houston (UTHealth), Houston, TX
Hope Ballroom C

Program Schedule

Friday, October 13, continued

1:00pm - 7:35pm Education Workshops - an extra fee applies to attend

TEACHING DEVELOPMENTAL-BEHAVIORAL PEDIATRICS TO RESIDENTS

Chair/Facilitators: Viren D'Sa, MD and Sarah Nyp, MD

Hope Ballroom D/Hope Ballroom A

The Education Workshop has been organized to help Developmental-Behavioral Pediatrics residency rotation directors and faculty address the challenges of teaching a significant curriculum in a limited time. The format will consist of an initial large group meeting followed by small group sessions and then closing with a large group discussion of new interpretations of rules from the RRC. These sessions will present creative methods to teach residents specific content including normal development, behavior management, mental health and ADHD. There will also be sessions on interactive teaching methods and evaluation of longitudinal curriculum. This workshop continues the tradition of previous successful education workshops in providing innovative tools for teaching through interactive and practical sessions.

5:00pm-9:00pm Board of Directors Meeting
Center Street B

Saturday, October 14

7:00am-5:00pm Registration

8:00am-12:30pm Board of Directors
Center Street BC

9:00am-12:00noon 4 Half Day Workshops - Extra fees apply to attend

WORKSHOP E: ADVOCACY BOOT CAMP: LEARNING TO BECOME AN EFFECTIVE ADVOCATE FOR CHILDREN WITH DISABILITIES

Dinah L. Godwin, MSW, Baylor College of Medicine, Houston, TX, Marsheena Murray, PhD, MetroHealth Medical Center, Cleveland, OH, Adiaha Spinks-Franklin, MD, Baylor College of Medicine, Houston, TX, Robert D. Keder, MD, University of Connecticut, Farmington, CT, Mana Mann, MD, MPH, Albert Einstein College of Medicine/Children's Hospital at Montefiore, Bronx, NY, Marisa E. Toomey, MD, Kentucky Children's Hospital, UK HealthCare, University of Kentucky, Lexington, KY, Jenna Wallace, PsyD, Valley Health Systems, Hurricane, WV

Hope Ballroom BC

WORKSHOP F: PEDIATRIC BIOFEEDBACK: AN ADVANCED PRIMER

Ethan Benore, PhD, Cleveland Clinic, Cleveland, OH, Eric Scott, Ph.D., CS Mott Children's Hospital, Ann Arbor, MI

Hope Ballroom A

WORKSHOP G: STRUCTURAL EQUATION MODELING: DEVELOPING AND TESTING MODELS USING AMOS

Christopher J. Burant, Ph.D., Marco-Antonio A. Hartmann, M.A., Laura Hlavaty, M.A., Case Western Reserve University, Cleveland, OH, Carolyn E. Ievers-Landis, Ph.D., University Hospitals Cleveland Medical Center, Cleveland, OH

Center Street A

WORKSHOP H: DEVELOPMENTAL COORDINATION DISORDER: FROM BRAIN RESEARCH TO CLINICAL PRESENTATION

Elizabeth Mickelson, BSc(PT), MD, FRCP(C), Sunny Hill Health Centre for Children, UBC, Vancouver, BC, Jill Zwicker, PhD, OT(C), BC Children's Hospital Research Institute, UBC, Vancouver, BC

Center Street D

Program Schedule

Saturday, October 14, continued

1:00pm - 1:10pm Welcome
Program Chairs
Hope Ballroom D

1:10pm - 1:40pm Presidential Address: Facing the Future...and the Future is Now!
Adrian Sandler, MD
Hope Ballroom D

1:40pm - 2:25pm Plenary Session
Hope Ballroom D

STATE OF THE DBP WORKFORCE: CREATING A ROAD MAP FOR VIABILITY

Carolyn Bridgemohan, MD, Boston Children's Hospital/ Harvard Medical School, Boston, MA, Nerissa S. Bauer, MD, Indiana University School of Medicine, Indianapolis, IN, Britt A. Nielsen, PsyD, MetroHealth Medical Center/Case Western Reserve SOM, Cleveland, OH, Anne DeBattista, PhD, Lucille Packard Children's Hospital/Stanford, Palo Alto, CA, Nancy J. Roizen, MD, Rainbow Babies & Children's Hospital/Case Western, Cleveland, OH

This session will present data from recent surveys of the DBP workforce (subspecialty and generalist physicians, psychologists and nurse practitioners) to highlight key trends impacting the future sustainability and viability of the field. The session will outline strategies for promoting SDBP leadership in Advocacy, Education, Practice Issues and Research related to DBP workforce viability.

2:25pm - 3:10pm Plenary Session
Hope Ballroom D

AUTISM AND INCLUSION

Wendy J. Ross, MD, Autism Inclusion Resources, Wynnewood, Pennsylvania, Jason Tempesta,, Philadelphia Flyers, Philadelphia, PA, Carol Moog, PhD, Penn, Bala Cynwyd, PA, Eron Friedlander, MD, CHOP, Philadelphia, PA

In order to meet the needs of the population affected by autism, we will need to go beyond early diagnosis, medical treatment, educational plans, and therapies. Most resources for those affected by autism apply to searching for the causes, cures, and controversies, but not every day living. There is a missing piece. It involves creating a dialogue with those affected by autism and the population at large to create opportunities for inclusion. When we are all involved, we all benefit. This presentation will discuss programs focused on making every day activities inclusive of those with autism, highlighting a sports casting program through the perspectives of students and a community partner, the Philadelphia Eagles.

3:10pm - 3:20pm Coffee Break

3:20pm - 4:30pm Poster Symposia I & II / Continuing the Conversation: Autism and Inclusion

POSTER SYMPOSIUM I: EDUCATION

Discussant: Heidi M. Feldman, MD, PhD

Center Street BC

Abstract 6: ONLINE TRAINING IN SHARED DECISION-MAKING: A DBPNET MEDICAL EDUCATION RCT

Lynne Huffman, MD, Lauren Hubner, MD, Pediatrics, Stanford, Stanford, CA, Robin Hansen, MD, Pediatrics, UC Davis, Sacramento, CA

Abstract 7: EARLY IDENTIFICATION OF ANXIETY DISORDERS IN PRIMARY CARE: RESULTS FROM A TRAINING PROGRAM FOR PEDIATRIC RESIDENTS

Nicholas D. Mian, PhD, Life Sciences, University of New Hampshire, Manchester, NH, Ellen C. Perrin, MD, Developmental-Behavioral Pediatrics, Tufts Medical Center, Boston, MA, Megan H. Bair-Merritt, MD, Pediatrics, Boston Medical Center, Boston, MA, Aubrey L. Carpenter, MS/MA, Psychiatry, Boston Children's Hospital, Boston, MA, Donna B. Pincus, PhD, Psychological and Brain Sciences, Boston University, Boston, MA

Program Schedule

Saturday, October 14, continued

Abstract 8: EFFICACY OF A PILOT CURRICULUM ON ADVERSE CHILDHOOD EXPERIENCES

Kristen Stefanski, MD, Developmental and Behavioral Pediatrics, Katherine Bowers, PhD, Biostatistics and Epidemiology, Karen Mason, MD, Developmental and Behavioral Pediatrics, Cincinnati Children's Hospital Medical Center, Cincinnati, OH

Abstract 9: A ONE WEEK MEDICAL STUDENT ROTATION IN DEVELOPMENTAL AND BEHAVIORAL PEDIATRICS: IS IT EFFECTIVE?

Kristen Stefanski, MD, Lorena Ferreira, MD, Ryan Uy, MD, Developmental and Behavioral Pediatrics, Katherine Bowers, PhD, Biostatistics and Epidemiology, Karen Mason, MD, Developmental and Behavioral Pediatrics, Cincinnati Children's Medical Center, Cincinnati, OH

POSTER SYMPOSIUM II: TRANSITIONS

Discussant: Mark L. Wolraich, MD

Hope Ballroom BC

Abstract 10: PARENT PERCEPTION OF TRANSITION PLANNING: EXAMINING DIFFERENCES BASED ON ILLNESS AND PSYCHOSOCIAL COMORBIDITIES

Jeannette M. Iskander, MA., Kara Monnin, MA, Beth G. Wildman, PhD, Kent State University, Kent, OH

Abstract 11: COMFORT OF ADULT PRIMARY CARE AND SPECIALTY PHYSICIANS IN TREATING TEENS WITH ADHD WHO ARE TRANSITIONING FROM PEDIATRIC CARE

Nicol R. Awadalla, MD, Meng'ou Zhu, BS/BA, Ruth Milanaik, DO, Ruee Huang, MD, David Meryash, MD, Andrew Adesman, MD, Developmental and Behavioral Pediatrics, Cohen Children's Medical Center of NY, Lake Success, NY

Abstract 12: UNDERSTANDING SELF-MANAGEMENT IN COLLEGE STUDENTS WITH ATTENTION-DEFICIT/HYPERACTIVITY DISORDER THROUGH THEIR PARENTS' EYES

Megan R. Schaefer, MS/MA, Scott T. Wagoner, MS/MA, Psychology, Auburn University, Auburn, AL, Alana Resmini Rawlinson, PhD, Psychology, University of Florida, Gainesville, FL, Steven K. Shapiro, PhD, Psychology, Jan Kavookjian, PhD, Health Outcomes and Research Policy, Wendy N. Gray, PhD, Psychology, Auburn University, Auburn, AL

Abstract 13: INTERVENTIONS IDENTIFIED BY ADULT CARE PROVIDERS AS LIKELY HELPFUL IN INCREASING THEIR COMFORT LEVEL IN TREATING ADHD IN TEENS OR YOUNG ADULTS WHO TRANSITION INTO THEIR CLINICAL PRACTICE

Nicol Awadalla, MD, Meng'ou Zhu, BS/BA, Ruth Milanaik, DO, Ruee Huang, MD, David Meryash, MD, Andrew Adesman, MD, Developmental and Behavioral Pediatrics, Cohen Children's Medical Center of NY, Lake Success, NY

CONTINUING THE CONVERSATION OF INCLUSION: INCORPORATING INCLUSION PROGRAMS INTO YOUR PRACTICE

Wendy J. Ross, MD, Autism Inclusion Resources, Wynnwood, Pennsylvania

This session will continue the dialogue from the first presentation- Autism and Inclusion, building on it in terms of discussing other inclusion programs and encouraging the audience to make suggestions on how they might incorporate inclusion in their practice.

Cleveland Clinic Children's

Developmental Pediatrician

Cleveland Clinic Children's hospital invites applications for the unique opportunity of Developmental Pediatrician at Cleveland Clinic Children's Hospital for Rehabilitation. The selected professional will have the opportunity to join 2 Developmental Pediatricians with in a **Developmental and Rehabilitative** Pediatrics group at a freestanding rehabilitation facility dedicated to the care of children with chronic illness and disability.

Applicants must be Board Certified in Pediatrics and either Board Certified/Board Eligible in Developmental Pediatrics or Neurodevelopmental Disabilities. A faculty appointment at a rank commensurate with academic accomplishments is available at the Cleveland Clinic Lerner College of Medicine of Case Western Reserve University. Ample research opportunities are available within the Lerner Research Institute. Cleveland Clinic physicians enjoy a collegial work environment within the framework of a large group practice, with a competitive salary enhanced by a very attractive benefits package.

Cleveland Clinic Children's is consistently ranked as one of the best children's hospitals in the United States by U.S. News & World Report and has 429 staffed beds, of which 121 are on the main campus, 25 in our free-standing Children's Hospital for Rehabilitation, and 283 in 4 other satellite hospitals across Northeast Ohio. Our staff includes more than 300 physicians in 55 pediatric medical and surgical specialties providing over 800,000 outpatient visits, 18,000 inpatient admissions, 13,000 surgeries, and accepting over 1,600 transports per year. The Children's Therapy and Rehabilitation program has an inpatient program, outpatient rehabilitation and a range of therapies. Infants through children age 21 receive the right treatment mix to overcome chronic medical challenges. Our **Developmental and Rehabilitative Pediatrics group** consists of a board-certified **developmental and behavioral pediatrician, a nurse practitioner in developmental and behavioral pediatrics**, psychiatrists, care managers, nurses, therapists, psychologists, social workers and other professionals in numerous disciplines. **We are also actively recruiting for another nurse practitioner in developmental and behavioral pediatrics.** Additional information can be found online at www.ccf.org/childrens.

Douglas Henry, MD
Director, Developmental and Rehabilitative Pediatrics
Cleveland Clinic Children's Hospital for Rehabilitation

Interested Candidates should submit their Curriculum Vitae to:

<http://www.clevelandclinic.org/physicianrecruitment>

Akron Children's Hospital

Ohio-based Akron Children's Hospital seeks a **Developmental & Behavioral Pediatrician** to join its expanding Division. Akron Children's Hospital is the largest pediatric healthcare system in Northeast Ohio and is ranked among the best children's hospitals by *US News and World Report*.

This integrated healthcare delivery system includes:

- Two free-standing pediatric hospitals
- More than 800 providers, who manage 900,000+ patient visits annually
- A network of more than 80 primary and specialty care locations
- Robust research and innovation endeavors

The successful candidate will join a dedicated team of three Developmental & Behavioral Pediatricians and four CNPs who provide care to a diverse patient population in the NeuroDevelopmental Science Center (NDSC). The NDSC brings together the expertise of 6 pediatric specialties – Developmental & Behavioral Pediatrics, Neurology, Neurosurgery, Physiatry, Neuropsychology and Psychology – to deliver quality, coordinated care to patients. The NDSC team works in collaborative, multidisciplinary clinics such as Myelo Clinic, School Success Clinic, Down Syndrome Clinic, and NICU Follow-Up Clinic.

This position offers:

- An outpatient-only practice, affording exceptional work-life balance
- Active involvement in academic activities including medical student, resident and Developmental & Behavioral Pediatric fellowship education; academic appointment at Northeast Ohio Medical University (NEOMED) is available and commensurate with experience
- Research and innovation opportunities through the Rebecca D. Considine Research Institute and partnerships with NEOMED and area universities
- An attractive compensation and benefit package
- Student loan repayment assistance

Akron Children's Hospital is set in the beautiful Cuyahoga Valley, just minutes south of Cleveland. From major league attractions to small-town appeal, the greater Akron area has something for everyone. This four-season community offers more than 40,000 acres of parks for year-round enjoyment. Northeast Ohio has become a premier destination to work, live, play, shop and dine.

Interested candidates should contact Jane Hensley, Physician Recruiter, at 330-543-3015 or jhensley@chmca.org. To learn more, visit our website at www.akronchildrens.org.

DEVELOPMENTAL & BEHAVIORAL PEDIATRIC PHYSICIAN ■ CAROLINAS HEALTHCARE SYSTEM

Developmental & Behavioral Pediatrics of the Carolinas Charlotte, NC

Carolinas HealthCare System's Developmental & Behavioral Pediatrics of the Carolinas is seeking a fifth, dynamic **BC/BE D&B Pediatrician** to complement their team. Physician will provide services at **Levine Children's Hospital** in Charlotte, NC.

- Practice consists of (4) Physicians and (3) Advanced Clinical Practitioners plus excellent clinical support staff
- Physician will provide clinical care in subspecialty area with the evaluation and management of children with ADHD, Autism, and a wide range of developmental and behavioral problems.
- Ancillary Services include: Occupational Therapy, Physical Therapy, Speech Therapy, Parent Support Groups, and classroom settings to teach social skills to the children and parenting skills to the caregivers.
- Utilize an EMR, CPOE and digital radiology and diagnostic services
- Hospital-employed, competitive salary plus bonus potential

Levine Children's Hospital, a part of **Carolinas HealthCare System**, has taken us to another level of service to care for the growing population of children in our region. Ranked as one of the top Children's Hospitals by U.S. News and World Report in six specialties for 2017-2018, it is the most comprehensive children's hospital between Atlanta and Washington, DC, helping families stay closer to home. There are 12 floors with 234 patient beds, including a 20-bed PICU.

Carolinas HealthCare System, one of the nation's leading and most innovative healthcare organizations, provides a full spectrum of healthcare and wellness programs throughout North and South Carolina. Carolinas HealthCare System has over **2,500 system-employed physicians** and more than **60,000 employees**, operating nearly **40 acute care and specialty hospitals** and **900-plus care locations**.

For more information about this opportunity, please contact Sarah Foster, Physician Recruiter at 704-631-1100 or Sarah.Foster@carolinashealthcare.org

EOE/AA

Developmental Pediatrics Career Opportunity

Joe DiMaggio Children's Hospital is seeking a developmental and behavioral pediatrician or a pediatric neurologist with special interest in developmental pediatrics to join its team of specialists. The ideal candidate will be either BE/BC after having completed a developmental and behavioral pediatrics fellowship or be BE/BC in pediatric neurology and have additional behavioral/developmental training and interest. Areas of expertise should include, but are not limited to, autism spectrum disorder, neurogenetic disorders, developmental delays, and related disorders.

Joe DiMaggio Children's Hospital employs an interdisciplinary team of subspecialists along with pediatric-trained psychologists, speech/language pathologists, occupational therapists, physical therapists, dietitians and social workers. Clinical research initiatives will be fully supported by the Office of Human Research.

This is a full-time employed position with the multispecialty Memorial Physician Group. The position offers a competitive benefits and compensation package that is commensurate with training and experience. Professional malpractice and medical liability are covered under sovereign immunity.

About Joe DiMaggio Children's Hospital

Joe DiMaggio Children's Hospital opened in 1992 and has grown to be the leading children's hospital in Broward and Palm Beach counties. With 226 beds, an 84-bed Level II and III NICU, 30-bed PICU and 12-bed intermediate care unit, Joe DiMaggio Children's Hospital combines leading-edge clinical excellence with a child- and family-friendly environment that emphasizes the Power of Play.

Located in the heart of South Florida, a region whose quality of life attracts new residents from all over the country and around the world, Joe DiMaggio Children's Hospital offers a comprehensive range of healthcare services – delivered with kindness, dedication and compassion. In addition, Florida has **no state income tax**.

To submit your CV for consideration, please visit memorialphysician.com. Additional information about Joe DiMaggio Children's Hospital can be found at jdch.com.

**I am a
PERMANENTE PHYSICIAN.**

A dedicated doctor who believes in pursuing dreams, creating hope and driving progress.

While every physician at the Southern California Permanente Medical Group has their own personal and professional ambitions, they all share a common vision: to transform the practice of medicine. Every day, they work hand in hand—with each other and their patients—to achieve outcomes that elevate the level of care across our organization and, ultimately, our nation.

**DEVELOPMENTAL & BEHAVIORAL
PEDIATRIC OPPORTUNITIES**

Baldwin Park & Fontana, California

At SCPMG, you'll have the opportunity to:

- Join 21 Pediatric Developmental and Behavioral Physicians
- Lead multi-disciplinary teams to provide comprehensive ASD (Autism) Care
- Participate in high-risk infant clinics monitoring the development of this fragile population
- Work in an environment surrounded by the support of pediatric colleagues

You'll also enjoy the amazing recreational activities, spectacular natural scenery and exceptional climate our area is known for, along with stability in today's rapidly changing health care environment.

Kaiser SCPMG is proud to offer its physicians:

- An organization that has served the communities of Southern California for more than 60 years
- A physician-led practice that equally emphasizes professional autonomy and cross-specialty collaboration
- Comprehensive administrative support
- An environment that promotes excellent service to patients
- A fully implemented electronic medical record system
- An excellent salary, comprehensive benefits and partnership eligibility after 3 years

If you believe in pursuing dreams, creating hope and driving progress, then you're the very definition of a Permanente Physician.

For consideration or to apply, please visit our website at <http://scpmgphysiciancareers.com>. For additional information about these opportunities, contact Trent Bovard at Trent.A.Bovard@kp.org or call 877-927-8917.
